Dear General Walters:

The Memorial Day Committee of Carroll Post #31 American Legion would like to extend our invitation to be the speaker for our 109th commemoration. Our observance of this day has continued each year since 1867.

We begin with a parade that forms at 9:00 A.M. and moves at 10:00 A.M. The line of march is through the Main Street of our town to our cemetery. The program at the cemetery usually follows the enclosed 1975 format.

We would be very pleased to have you participate in our parade. A car will be provided for you to ride in the 1st Section. Should you come in uniform, and should you care to march, we would be delighted to have you march with the reserve and retired officers of our community in the leading element of the 1st Section.

Thank you for your consideration of our request.

Yours very truly,

Atlee W. Wampler, Jr.

Dear General Walters,

Executive Registry
76-1103

After your excellent speech at our Diwanic Conference at the Shoreham on Jan. 25, my wife and I came to the speakers table and met you. I told you that we appreciated your speech and I asked if you went out on speaking engagements such as a memorial day program. You replied "Yes sir!" so I took the liberty of presenting your name and a critique of your talk to our Memorial Day Committee. They immediately put your name at the top of the list and so the enclosed request came out of that.

2.

I hope it will suit you to accept.
We have preserved something
here in Westminster that many
other communities have lost. Our
format has changed very little
since I was a boy following
the bands to the cemetery.

It is still old and quaint but it
is our community's day of Americanism.
We furnished a company of men to
the 29th Infantry Division in WWII
so five years of service is not
uncommon around here. The VFW
and American Legion are important
organizations in our town.

Sincerely
Russell Martin
